

COPYRIGHT AND CONSENT FORM

Please read the full terms and conditions in the copyright section on the journal's webpage. After reviewing, complete, sign, and return this Agreement to the Journal's Editorial Office. By signing this Agreement, Contributors confirm their acceptance of the provisions below as well as the terms and conditions outlined in the copyright section of the journal's webpage.

1. I/We confirm that the article titled below has not been previously published, either in whole or in part. It is not currently under consideration for publication elsewhere. If accepted for publication in the aforementioned journal, it will not be published elsewhere in any language without the consent of the editor and the publisher.
2. I/We have not transferred or assigned any rights in the Contribution to any other individual, publisher, or entity. The Contribution is original and does not infringe on any existing rights such as privacy, copyright, trademark, patent, statutory rights, or proprietary rights of others. The Contribution does not contain any infringing, libelous, obscene, or other unlawful content. Additionally, I/We have secured any necessary permissions from the copyright owner or their legal representative for any quoted text passages or use of tables, data, figures, or other materials from copyrighted sources.
3. I/We confirm that all necessary permissions have been obtained to include quotations, figures, and the results of government-sponsored research in the paper.
4. I/We declare that every individual named as a co-author of the Contribution is aware of the copyright submission and has agreed to be listed as such. I/We accept responsibility for submitting this material on behalf of all co-authors. I/We affirm that the statements and opinions expressed in the Contribution are those of the Authors.
5. The Authors bear full responsibility for the content of the Contribution, not FMR.

The undersigned acknowledges and agrees that FMR has the full and unconditional right to publish, distribute, and reprint this contribution in all forms and media, and hereby indicates acceptance of all the above terms and conditions.

The copyright to the above article is hereby transferred to FMR, which includes:

1. All proprietary rights other than copyright, such as patent rights, are transferred.
2. The right to use all or part of this article in future works prepared by or on behalf of the author is granted.
3. FMR reserves the right to publish, republish, transmit, sell, distribute, and utilize the work in any manner.
4. Any reproduction, posting, transmission, or other distribution or use of the work or any material therein, in any medium as permitted hereunder, must include a citation to FMR, including the article title, author(s), journal name, and volume/issue.
5. The authors confirm that FMR, along with its Editors, Chief Editor, and reviewers, has the authority to publish the article online as open access. The authors also grant permission for the article to be edited or altered if necessary.
6. Once the article is accepted and published, the article cannot be withdrawn.

By signing this Agreement on behalf of all Contributors, the signing Contributor represents and warrants that he/she has received written permission from each Contributor to sign this Agreement on his or her behalf and to grant the exclusive license herein.
